LETTER FOR OTAC MAP:

No sticker was created for the map. Instead, a letter was written to explain the map. There was some confusion in the second paragraph of the letter. Dave Burley made a point that West Bloomfield would not use this letter. Not everyone

is having an issue, therefore the issue should be handled where there is an issue. Dave Burley approved the letter with corrections. It was stated that the letter should be available online, via email, and in hard copy. Kristen was going to work on a label template on the web to download the letter as needed. Kristen Wiltfang supported the approval.
